ALTEZZA

PINOT NOIR

This light-bodied Pinot Noir opens with a vibrant burst of dark berry and black cherry, balanced by soft acidity and a whisper of earthy truffle. Elegant and well-structured, it carries a water-light mouthfeel that glides across the palate with finesse. Subtle hints of spice and forest floor add complexity without overpowering the fruit. It finishes with silky, graceful tannins, leaving a smooth and lingering impression. A refined, easy-drinking red suited to any occasion.
